We cordially invite you to participate in “The Challenges of Logistics Technology - Opportunities and Innovation” Conference on Thursday, 27th September, 2018. The conference will be officiated by Guest of Honour, Mr. Frank CHAN, JP, Secretary for Transport & Housing, the HKSAR and Ir Dr Hon LO Wai-kyok, SBS, MH, JP, Legislative Councillor for Engineering Constituency, the HKSAR.

This conference is sponsored by **BPS Global Group** and jointly organized by the Logistics & Transportation (LT) Division and Manufacturing & Industrial (MI) Division of the Hong Kong Institution of Engineers.

The conference will take place in the afternoon of 27th September, 2018 (Thursday), at the Hong Kong Convention and Exhibition Centre (Room: S221). This half day event features prominent speakers from academic institutes, technology professionals and key business leaders from renowned international corporations. Market insights and innovations at the forefront of smart logistics, automation and technology will be shared during the conference.
