22ndAGM cum Seminar

Innovating and Digital Transforming your Procurement and Supply Chain:

“The Benefits Go Far Beyond Efficiency”

Saturday afternoon 13 April 2019

Dear Members and Friends,

While digital solutions make procurement and supply chain processes far more efficient and effective than in the past, they also create a new range of strategic opportunities. ... By helping accelerate innovation across the organization, procurement and supply chain executives can play a vital role in shaping a company's broader digital vision.

In this seminar, four renowned specialists will share their insights and latest technologies on the smart procurement, and supply chain development as well as challenges towards future.
