Supporting Organisations:

# DIALOGUE HIGHLIGHTS

## SMART TRANSPORTATION IN HONG KONG:

Where are we on Smart City Planning, Technologies & Urban Infrastructure, Smart Travel Behavior and Smart Sensing and Computing?

## RATIONALISATION OF TRAFFIC DISTRIBUTION AMONG THREE ROAD HARBOUR CROSSINGS:

Announcing the scrapping of the motion debate on toll rates' rationalisation, Secretary for Transport and Housing Frank Chan Fan **admitted the government had failed to get enough support.** What's the new proposal?
